Reminders for Board

- March – contact Carefree (815) 462-3300 to schedule system turn on (middle/end April). Once system has been turned on, contact the Village Water Department to reactivate account (203-2280-01-01)
- September- contact Carefree to schedule system shut down (begin/middle October). After system has been turned off, contact Village Water Department to deactivate our account, otherwise we'll be billed during Winter.
